Foreword

We are listing nineteen (19) head of cattle in this sale. Thirteen of these are bulls. Several are past one year old and ready for service. They are a well bred lot, and in good breeding condition. Most of them are sired by SUPREME CLIENT, one of the best sires we have used in recent years.

Dr. Wallis, who bought Atlasta Browndale in the Hopley Dispersion, thinking at that time he would go into the purebred business but later changing his mind, has listed this good young bull in this sale. He was the top selling young bull in the Hopley sale. He has developed splendidly and should go to head some good herd. A few bull calves just six months old are offered. These are good, well bred, and anyone who will need a bull next fall should look after them.

We are only offering a few females. Two cows with bull calves at foot, two bred heifers and an open heifer or two.

Our sale follows The Sni-A-Bar Farms sale. Those attending this sale are cordially invited to attend our sale and inspect our herd.
